Here is what our customers have to say!

Amy G ★★★★★

Wow... great place, BYOB, and the guns if you like shooting, were pretty cool! Don't need to have experience. Hand guns and rifles to compete with your friends. Went for a work event and had a blast!

Phillip P ★★★★★

We had so much fun! Mathias was our axe master and let us be loud and obnoxious but made sure we were safe. The areas were separated enough where we felt like it was a private party section but still close enough to others to enjoy the fun vibe. Love the selection of music played.....Will definitely be back!

Carolyn E ★★★★★

You do not have to know anything! Staff will tell you everything you need to know. The games are super fun and competitive! Safety is "Top Notch"! Can't recommend more!
